

## WHERE ARE WE?

If you ever wondered what it would be like when 98% of the people have sold out to a Luciferin System, this is it.

The religious leaders the pastors and priest have sold out

The Doctors have sold out

The Media have sold out

The Scientist have sold out

The Educators have sold out

The Politicians have sold out

The Corporations have sold out

The Journalist have sold out

The Tech Software and Engineers have sold out

The Justice system is run by the criminals and secret societies.

Some sold out for money and power but most of us sold out to save our family, our Jobs, and to survive. Others sold out just because it was convenient. In 1776 survivors of religious persecution would not sell out. Today, Satan has made it so easy to sell out. All you have to do is buy an I-Phone shop on Amazon and bank at any globalist bank.

**The Vaccine is the mark of the beast. You can not buy or sell or even hold a job unless you take the Vaccine.**

We are living in a fake reality bobble. Fake News. Fake Science, Fake Religion, Fake health care, Fake medicine, Fake Food, Fake politicians, Fake elections Poisoned Air Water and Vaccines.

We are at the crossroads. The future of Humanity hangs in the balance. Compliance will no longer protect you. Selling out will destroy all of us.

Over half the population has irreversible DNA damage. Over half the population has been sterilized and can no longer have children. If you find this hard to believe then check your sperm count. This is hard evidence that you cannot ignore unless you are totally lost already.

I don't watch TV so I was shocked when I watched the presidential debates and discovered that most of the information, they were debating was falsehoods and lies. For Example: They both talked about Climate Change. Climate Change is a hoax.

Manmade CO2 is not causing the earth to heat up or cool down. If all man-made CO2 was eliminated today the temperature would change much-much less than 0.003 degrees C. They claim to have measured this change in temperature and have been caught manipulating the data. In order to measure climate temperature change with a signal to noise ratio of one, you would have to integrate the temperature measurements for 50,000 years. They say that the science is settled. This is an Oxymoron. The scientific method is an algorithm for destroying scientific consensus. It is a formal method for discovering the truth. Any scientist or Doctor or Journalist who speaks the truth is punished. Many have lost their jobs. Many have been killed. Just ask Dr. Simone Gold or Julian Assange, Rodger Stone, Snowden, David Robert Daleiden, Sandra Merritt, Project Veritas, Michael Hastings, Seth Rich, Andrew Wakefield.

The MSM (main stream media) has sold out and is now in charge of protecting the lie.

The internet once a source of free information is now a propaganda and censoring AI (artificial intelligence) machine. Google searches are rigged and we no longer have access to the truth over the internet. Even the president of the united states cannot state the truth in a national debate because he will lose all of the voters in the mind control bubble. He has to hope that his informed support is smart enough to realize this.

What to do?

The reason the government is corrupt is because the churches are corrupt. If we awaken the churches, we can force change in the government. I am not talking about the fake churches; I am talking about GOD's church (a spiritual awakening). After all this is a spiritual battle. If we had real churches, and real church leadership this hell on earth could not exist. The major deciding factor in the revolutionary war was the Church. It was religious freedom and equal justice that shaped America. I think that it is the Church that is the key to any chance of reversing this Tyranny. The church is asleep. They have taken our sleep as weakness. I hope that the fact that all Churches worldwide were closed on easter this year and will most likely be closed again on Christmas has alerted true Christians that something is wrong. The hireling over the flock needs to be eliminated and the true Shepard reinstalled. We need an organized Spiritual awakening to the truth. How can a church leader sit idly by while the church members are poisoned, sterilized, maimed and destroyed and even murdered? If we expose this - it should do the trick. We have to call the church out before GOD. We have to awaken the sleeping Spiritual Leviathan.

The church has to speak out against Demonic crimes against humanity.

The church has to demand justice for criminal government and corporate activity.

We do not need new laws we just need to enforce the constitution. We have to retake the FBI DOJ, CIA and other government agencies and prosecute the criminals inside these organizations. The church has to boycott all globalist corporations and media.

The church has to excommunicate all politicians and global corporate leaders and bankers.

The church has to demand that global corporations be barred from political process and media. Eventually seize all global corporate property and turn over to local American business. Breakup the Global corporate monopolies.

If you bank at PYPL, BAC, JPM, WFC, GS, C, BLK, MA, MS, RY you are betting against America.

<https://www.scoop.co.nz/stories/HL0407/S00040/mapping-the-real-deal-where-would-jesus-bank.htm>

If you shop at AMZN, Whole Foods, BABA, WMT, TGT, COST, HD, LOW you are betting against America.

If you support BAYRY, GIS, KHC, KDP, KO, MCD, PEP, SBUX you are not only betting against America you are buying poison for you family.

If you support MRK, GILD, JNJ, PFE, NVS, SNY, BMY, GSK, AZN the you are actively destroying the human race by corrupting human DNA.

If you support NFLX, DIS, CHA, CHL, CHU, CMCSA then you have a direct link to Satan himself.

If you get your fake news from CNN, ABC, CBS, NBC, NPR, WSJ, NYT, Washington Post, Newsweek the Economist... then you probably think that all of the above listed corporations are American Corporations and the \_\_\_\_\_ that you see on the TV and movies is entertainment. (you have been duped)

These Anti Human, Foreign, Globalist, New World Order, Eugenics, Corporations are the ones corrupting our government with foreign contributions and lobbyist. Stop supporting the very corporations that are destroying America.

This will defund the corrupt buyout of our politicians.

We have to destroy the secret classified programs and agencies, secret societies and tax-free foundations that are running the corruption behind the scenes.

We have to Break up the media monopoly and turn the media over to independent distributed media.

### **How to fix the media Democrats, and RINOs in congress with one executive order!!!!**

It is obvious that foreign entities should not be allowed to participate in our internal politics, but the definition of foreign has been corrupted. The Conglomerates and huge Global corporations and cabals are not American companies anymore. They are Globalist companies. Globalist Companies are foreign companies and therefore anti-American, anti-free market, anti-freedom.

This can be fixed with one executive order that states---

“Foreign Corporations, Foreign Governments and Corporations with foreign influence CWFI are not allowed to participate in the internal political process in America. This includes political donations, Lobbying, media, or investing in media or political organizations.”

You also have to define a CWFI as any company that has more than 10% of their assets or 10% of sales off shore or one with foreign nationals on their board of directors or corporate headquarters located in foreign countries.

This will fix this problem. With no money to influence the media, and no money to influence the corrupt politicians. The media and politicians will seek influence (money) from internal American corporations which will make America great again. The foreign (Global) corporations which own our media will have to divest. The ownership will revert back to American corporations.

Foreign (Global) corporations should not be allowed to have monopolies in American markets. Any global corporation with more than 50% market share shall be required to pay double corporate tax. This will include Microsoft, Google, Facebook, and Twitter ..... This will allow American companies to enter these markets.

*“Whoever advocates foreign control of the US shall be slaughtered politically”*

I believe that we need to take immediate action to prevent any foreign influence in our internal elections. This will be difficult since all politicians are bought and paid for by the globalist corporations.
